Dear Parents and Caregivers

At about 9.35am today an odour was detected in the new building. We believe it was associated with a truck pumping out a grease arrester.

Students and staff were evacuated from the building and Ambulance, the Fire Brigade and Police attended. The building was checked by the Fire Brigade and there was no evidence of contamination, and on their advice students were allowed to return to class.

Two teachers and a student were taken to hospital as a precaution and students told to report to Student Services if they felt unwell.

I can be contacted on 8304 8420.

Yours sincerely

Mark Leahy  
Principal  
Marryatville High School
