Student Free Day

Tuesday 14 June provided the opportunity for staff to engage in a Professional Learning Program. In the morning Teachers worked in their own school. In the afternoon Teachers in faculty groups worked with their colleagues from nearby High Schools on a collaborative moderation process relating to student work. School Service Officers engaged in a Professional Learning Program with their colleagues from the same schools all day. Feedback from teaching staff and School Services Officers has been very positive and our collaborative work will continue.

Association for Learning Environments

On Wednesday 22 June I hosted 30 members of the Association to share information about our facilities upgrade. Members had the opportunity to speak with school staff and the architects and then had a tour of the facilities.

Contact with Teachers

If you wish to discuss your daughter’s/son’s progress, school staff can be contacted by telephone or by email to dl.0817_info@schools.sa.edu.au marked for the staff member’s attention.

Arrival at School

I am concerned that a small number of students are arriving at school before 8.00am and are still at school after 4.00pm. Yard supervision commences at 8.15am and ceases at 3.40pm. I seek your cooperation to ensure that your child doesn’t arrive before 8.00am and has left school by 4.00pm unless they are involved in an organised activity like a Sports practice or a Music or Drama rehearsal.

Uniform

While almost all students comply with the Uniform Policy a few push the boundaries by wearing inappropriate items of clothing. All students are required to fully comply with the Policy when at school or on a school related activity. We have had a few occasions where students have presented notes to staff indicating they have parental permission to be out of uniform. This should only occur when there is a genuine reason like a foot injury requiring different footwear. Students are not permitted to wear nose rings and we don’t expect students to dye their hair using a colour which attracts attention. I seek your support in relation to attendance and uniform.

Term 2 Reports

Term 2 student reports will be distributed to students on Friday 8 July. Please take the time to read your daughter’s/son’s report and discuss it with them.

Dismissal – Last Day of Term – Friday 8 July

We will continue with our usual practice of dismissing students at 2.30pm on the last day of Term 2.

First Day of Term 3

The first day of Term 3 will be on Monday 25 July.

HUMANITIES AND SOCIAL SCIENCES (HASS)

The HASS faculty this year consists of Fiona Bushnell, Emma Cant, Neil Smith, Bill Matsouliadis, Sue Dansie (on leave Term 2), Jennie Boisvert, Bryce Woodley, Wally Pavan (on leave Term 2), Kayla Tsoutsouros, Carol Ludlow, Pauline Hansford (on leave Terms 2, 3 and 4) and Steve Heard.

The Australian Curriculum is now well and truly up and running and staff are presenting a wide range of learning opportunities across the subject areas. Recently, we had a number of Pre-Service (Student) teachers join us for five weeks and they injected a number of new and refreshing ideas especially in the area of IT.

A pictorial presentation in this edition reflects the gamut of activities undertaken this year with a lot more to come.

Wally Pavan

Wally has decided to put away the ‘rock of knowledge’ and retire the ‘stick of understanding’ and leave the teaching profession at the end of the term.

Beginning his career nearly forty years ago in Kadina, Wally enjoyed stints at Renmark, The Heights and finally here for the past 17 years.

Passionate about the profession, a great story teller and an advocate for his pet subject Geography, Wally has been a much loved and admired member of the school community.

Friday mornings has always been a popular time as music from all ages and genre blared from his classroom in A block celebrating the last day of the week inspiring comment and compliment from staff and students alike. It has not been uncommon for Year 12s to put in the Year Book as their fondest memory of their school life, ‘Mr Pavan’s Friday disco’.

We wish Wally all the best in his retirement and he will be formally recognised and farewelled at a later date.

Tim Silverwood ‘No Time to Waste’

On 25 May, internationally acknowledged environmental activist Tim Silverwood visited the school. Tim has sailed the Pacific Ocean and seen the so called ‘Pacific Vortex’ a massive collection of plastic that is finding its way into the ocean on a daily basis.

The amount of waste is devastating and is not just the large items that we normally associate with rubbish but also minute particles that are finding their way into the ecosystem; some small enough to be consumed by krill! Naturally enough, this finds its way into the food chain and affects all of us.

Tim’s speech encouraged the use of alternatives to plastics and asked student to become more aware of plastics in such items as toothpaste and cosmetics. The group of over 200 students left more informed, if not slightly alarmed, at the damage being done to our eco-system.

YEAR 8 HASS EXCURSION TO THE ART GALLERY OF SOUTH AUSTRALIA

On Monday June 6, our Year 8 HASS class visited the Art Gallery for a guided education lecture on art and history of Medieval Japan. We have spent Semester 1 studying History, looking at both Medieval Japan and Europe, comparing the class structures and the difference between Knights and Samurai.

The students heard from a professional lecturer of Japanese Art History about two 6-panel gold leaf decorated screens, one depicting social scene from the Tale of Genji in the 11th Century, and the Heike War of the 12th Century. Students were also able to view objects such as lacquer ware lunch boxes, swords and hand crafted and painted crockery from that period. The students were able to clearly imagine what life had been like in Japan in medieval times after seeing the original works beautifully displayed at the Gallery. A special thank you goes to our Pre-Service teacher, Kelly Cornish, who organised and led the excursion. Her placement has now completed and the class loved having her.

We will be studying Geography in Semester 2.

YEAR 9 HISTORY

Did you know that 100,000 messenger pigeons were 95% successful in delivering crucial messages along the Western Front and beyond? Or that in many cases elephants were used to pull heavy machinery? Or that Aussie Hard Tack rations were so hard that some soldiers even used them as postcards, sending messages home written on a biscuit? Your student has learnt a lot of interesting facts about the war and can discuss the relevance of the Commemoration ceremonies to our National identity. Please ask your child to show you their work and discuss their learning with you - you might learn a few things too!

As part of the National Curriculum for History all Year 9 students across the country spend time learning about Australia’s involvement in World War 1. For students, it is a time to learn about this fascinating period in history and to reflect not only on the legacy of the ANZACS but about our national identity, our involvement in conflict and the terrible loss of life that occurred. For teachers, it can be overwhelming to know which aspects of this important historical event to explore - such is the sheer volume of information out there.

As part of this unit of work I have been impressed with my two Year 9 classes and their interest in, and empathy with, those many soldiers who fought in the Great War. They have demonstrated their knowledge and understanding of the motivations for enlisting and the experiences of the soldiers in the trenches. They have produced some very impressive and sensitive work in which they have taken great pride.

In this 100th anniversary of Australia’s involvement on the Western Front, there are many ways to investigate WW1 and our students have a wonderful capacity to understand the significance of sacrifice. As they grow and mature I hope that they will never take the decision to go to war lightly. Lest We Forget.

HISTORY POEM

Inspired by WWI Soldiers and those who were left behind.

Do you think yourself a hero?
For I think you are a fool.
There is no obligation,
Nor long forgotten rule,
To sign your life away
For an undetermined cause.
Is it really worth the risk?
Is it worth the bloody wars?

If you really must enlist,
Learn to fight, or learn to flee,
Or there will be little chance,
That you return to me.

You can wear a badge with pride,
For firing a gun,
You think you have made a difference,
Because your country has won.

But in case you have not noticed,
The enemies are people too,
There is a man who is a killer,
But that man is not you.

Tomorrow you will be leaving,
Across the open sea,
Just remember when you are out there,
To come back to me.

YOUNG ADELAIDE SINGS

On 5 June the Australian National Choral Association held their annual Young Adelaide Sings recital at the iconic Elder Hall, North Terrace.

The Marryatville High School Junior Choir were delighted to be a part of the event and included in the many local choirs chosen to sing. Many parents came to support the students and all enjoyed an afternoon of music.

The Junior Choir sang an ‘Advance Australia Fair Medley’, a collection of iconic Australian songs arranged by their conductress Ms Trudy Hart and the classic ‘May the Road Rise Up’, a traditional Celtic blessing. The choir was beautifully accompanied by Mr Joel Ang on piano and the talented Miss Kathy Yoo on violin.

CONCERT CHOIR IS PART OF THE AUSTRALIAN NATIONAL CHORAL ASSOCIATION’S EVENING SYMPHONIC SING

As part of the Jerry Blackstone conducting tour, Marryatville High School’s Concert Choir shall be the core choir for a ‘big sing’ style massed choir workshop, during which Jerry will be directing and workshoping Mozart’s ‘Requiem’.

This event is open to both participants and spectators.

ADELAIDE CHORAL EISTEDDFOD CONTINUED SUCCESS

Congratulations to the Marryatville High School choirs for the excellent results in Adelaide’s Choral Eisteddfod this week.

Over two evenings of competition choirs from across Adelaide competed in this annual event. This year’s adjudicator was Adelaide Chamber Singer’s musical director Dr Carl Crossin.

Marryatville High School’s choirs won a total of four 1st places, including the section for large choirs (open age) whose prize included the Boyd Dawkins Memorial Shield. Under the direction of the Head of Music Aldis Sils, the Marryatville High School’s Concert Choir has won this event for the sixth year in a row. The other winners were the Chamber Choir directed by Leonie Hempton OAM, Swingtones directed by Jasmin Feneley, and Pops Vocal directed by Jason Hammond. 

Our junior choirs were also awarded: Girls’ choir directed by Leonie Hempton OAM – 2nd place, Junior Choir directed by Trudy Hart – 3rd place, and Boys’ Choir directed by Aldis Sils – Honourable mention.

The Head of Music explained that the high level of choral music at the school is achieved because singing and instrumental performance are fundamental aspects of both the Elective and Special Music programs at the school. The in-class choirs and extra-curricular junior choirs support the musical development of students so that they can gain a choral maturity in the senior years. Singing supports development of musical skills in other aspects of student performance including high achievement in instrumental ensembles, orchestras and bands.

In the adjudicator’s comments Dr Carl Crossin expressed that the Concert Choir’s rendition of Rachmaninov’s ‘Bogorodiste Deva’ and Neske’s ‘Mironczarnia’ was the most consistently excellent choral work heard so far this year in the Eisteddfod.

**CHAMBER CONCERT**

On Wednesday 8 June Marryatville held its annual Chamber Concert at St John’s Anglican Church in Halifax St. The concert featured a variety of classical chamber groups including student lead ensembles.

The first ensemble to perform was Recorder Ensemble, a small group of students led by Ms Monaghan. The next ensemble was Baroque Ensemble, led by Katrina Brown. This ensemble consists of the school’s most dedicated string and recorder players, with Katrina on harpsichord. Recorder Trio performed next, followed by an organ solo by Haowei Yang, a Year 10 student, who played *Kleine Prelude in C Major* by J.S. Bach. Hearing the powerful, droning organ reverberating around the church was quite awe-inspiring.

Year 10 student Abby Smyth performed *Sonata* by Giovanni Paolo Cima, accompanied by cello and harpsichord. Junior Guitar Ensemble led by Alex Tsiboulski was next up, and played blues tune as a mood change. The audience was thrown back into the classical realm by a student run string quartet with Lynda Latu and Daisy Elliot on violin, Jenny Hu on viola and Jack Overall on cello. The four played two movements from Dvorák’s *American Quartet*. The first movement, *Allegro ma non troppo*, is joyful and free-hearted. The second movement, *Lento*, is dark and moody, with passionate solos for the first violin and cello. The quartet did an excellent job, and should be very proud of themselves.

By now it was clearly time for another organ solo, and Year 10 student Marco Callisto did not disappoint. Playing *Toccata in D minor* by J.S. Bach with an enlivening touch of pizzazz. Following this was Senior Guitar ensemble, consisting of four students and their director Alex Tsiboulski (quality over quantity)! The intimate, gentle plucked strings formed a nice contrast to the intensity of the organ. Next up was the school Wind Quintet, directed by Josie Hawkes (yes, the teacher with the fabulous hair). All of the students performed beautifully and exceptional ensemble skills were evident. Flute ensemble was the second to last performance of the night, playing several well-known tunes. The final group for the night was Chamber Choir, directed by Leonie Hempton. The choir is a selection of the school’s best classical singers, picked out via audition process. They performed *Three Shakespeare Songs* by Ralph Vaughan Williams. Overall, the concert was a great success – a very enjoyable night for all involved!

SENIOR SECONDARY PAINTING WORKSHOP AT ADELAIDE CENTRAL SCHOOL OF ART

Mid June, 17 students from Years 10 - 12 participated in a two-day workshop led by Adelaide visual artist Ruby Chew who is working in the field of portraiture painting. The workshop was located in the studios of the Adelaide Central School of Art, Glenside.

Ruby Chew is a highly respected local young artist and students were very privileged to have her as the professional artist teacher and mentor. You may like to look at her website [http://www.rubychew.com/](http://www.rubychew.com/) to appreciate her creative oeuvre. Ruby is just recently back from a stint in London having received the Ruth Tuck scholarship to further her painting career.

Students were engaged in the colour mixing and painting application process and were able to extend and develop their creative and technical skills. It was an exciting opportunity for our students to go beyond the art rooms at Marryatville High School and spend quality time at ACSA, to gain an awareness of future pathways and creative learning opportunities and all that the school offers, and to also view the current still-life painting exhibition in the gallery.

YEAR 12 SACE ART DISPLAY AT THE AUSTRALIAN EDUCATION UNION

Over the next 12 months the AEU will display the work of five Year 12 SACE Visual Arts students who have lent the AEU their final artworks from last year, to exhibit in the AEU Conference Centre.

This is a great opportunity to expose and promote the work of the students in a public forum. An Opening Ceremony was officially held on the evening of Monday 20 June. The student artists, their families and Visual Arts teachers were warmly welcomed by the South Australian AEU Branch President, Howard Spreadbury.

One of the art works selected for display is by Marryatville High School graduate, David Tse. As his former teacher, I was delighted by this recognition bestowed to David.

It was the perfect ending to David’s school years to be recognised in such a personal and individual way and a moment in time, I’m sure, he will remember for a lifetime. David produced an amazing work of art that has already been viewed by hundreds of people at the 2016 SACE Art Show, at the Light Square Gallery earlier in the year, and will continue to be appreciated by many more at the Australian Education Union headquarters into next year.

YEAR 8 JAPANESE EXCURSION TO HIMEJI IZAKAYA AND RAMEN RESTAURANT

On Tuesday 21 June, our Year 8 Japanese class travelled to the Himeji Izakaya and Ramen Japanese Restaurant on Grote Street for a delicious lunch.

Students were able to enjoy dishes such as sushi, tempura, ramen noodles, yakitori chicken and tonkatsu pork. They used their language skills to begin and finish the meals and were able to tell the Japanese chef they thought the food was delicious in Japanese. It was also entertaining to see some of the attempts at using chopsticks and tasting wasabi for the first time.

Students had a wonderful time and many reported they loved the food they had. A special thank you to our Pre-Service teacher Kelly Cornish for organising and leading the excursion. Kelly came back specially after her placement ended to lead the excursion.

SCHOOL-BASED APPRENTICES SHOW HOW A CAREER CAN START AT SCHOOL

Jackie Hartvigsen (pictured) is a school-based Hairdressing apprentice. He has had a solid interest in this trade for a while. Jackie is employed by Zac’s Men’s Grooming.

A men-specific hairdresser known as Barbers is becoming a growing trend amongst the male population. The occupation specifically cuts, grooms, styles and shaves men’s and boys’ hair. The work also involves shaving or trimming beards and moustaches. It is expected that in the near future the Barber will have its own apprenticeship to offer as a national qualification.

Jackie is in Year 12 at Marryatville High School. The units of competency training for the qualification will be Clipjoint Academy where Jackie will attend one day a week. Jackie says he enjoyed the work experience and was keen to start an apprenticeship in this field. He is working fourteen hours a week and competency in this qualification will acquire him up to 130 Stage 2 SACE credit. Much more than he requires to achieve his SA Certificate of Education.

TOUCH

On Thursday 2 June and Friday 3 June Marryatville High School competed in the SSSSA Year 8/9 Boys and Girls and Open Boys & Girls Knockout Touch Football Finals at Touch SA. The Year 8/9 Boys and Girls both reached the Semi-Final and finished third overall which was a fantastic effort.

The Open Boys unfortunately just missed out on qualifying for the finals however were given a reprieve the day before as one of the eight schools withdrew. An amazing run of results saw the boys make it all the way to the Grand Final where Marryatville High School took it up to a quality Golden Grove High School team, just falling short 1-0.

The Open Girls proved too strong for their opponents in their three opening games, recording 10-0, 6-0 and 3-1 victories. A 3-1 win in the Semi-Final set up a Grand Final with Loreto College which everyone knew would be extremely tough. The two teams couldn’t be split at full time, the game finishing 2-2. A tense, dramatic and exciting drop off lasting eighteen minutes was required to determine a winner and it was the Marryatville High School girls who came out on top, claiming the State Championships. Congratulations girls!

A big thank you to Janelle Morrissey for the enormous amount of time she has put into coaching this year. Thanks to Leigh Drennan, Lauren Kildare and Nick Litchfield for their coaching efforts too.

Several students have recently gained selection in the State Under 15 and State Under 18 side. Congratulations to Kelsey Zafiridis, Tameka Morelli, Emma Pienaar, Minnie Turner, Georgia Garrett, Tenille Hunt, Jack Miller, Alex Martin and Matt Thompson for making the Under 18 teams and Julia Camilos, Juliette Robinson, Jazi Andrae (reserve), Asha Lodge (reserve), Sam Morris, Kieleyn Gabriel, Darren Nguyen, Austin Davidson and Tay Crawford-Sandison for making the Under 15 teams. We wish you all the best for your tournaments later in the year.

TRIATHLON

Congratulations to Year 12 student Kenzie Corbett who was recently awarded the 2015/16 State Sprint Distance Champion in the female 16-19 age group and also the 2015/16 State Series Winner in the female 16-19 age group.

It was Kenzie’s first season as a triathlete which makes the achievement all the more remarkable. Congratulations Kenzie!

Ex-student Daniel Canala (2014) has experienced a lot of success in the sport since graduating.

Daniel recently finished second in the Under 23 Men’s 2016 World Duathlon Championships in Spain, a phenomenal effort.

Congratulations Daniel and we wish him luck in all future events.

**CROSS COUNTRY**
On Thursday 9 June, Marryatville High School competed at the 2016 Secondary Schools’ Cross Country Carnival at Oakbank Racecourse.

Despite the wet and wintery conditions the twelve students who represented the school all ran extremely well, with the majority recording personal best times. The standout performance of the day was Hailey Siebert’s run in the 13 Year Old Girls’ race, where she led from start to finish and won the first place medal. Other notable performances were Jack Atherton’s 8th place in the 15 Year Old Boys’ race, Kenzie Corbett’s 11th place in the Open Girls, and Maddie Kelly’s 12th place in the 15 Year Old Girls. Our Under 15 Boys team narrowly missed a team medal. With most races having at least one hundred competitors in each event the whole team should be proud of their effort and performance on the day.

The play uses a work of fiction, Samuel Beckett’s Waiting for Godot, and one of historical fact, Susan Sontag’s visit to Sarajevo during its siege, to direct Beckett’s Waiting for Godot. The play uses characters from the original text, among others, as they await a director to visit them in a bombed out theatre surrounded by constant war to direct a version of Waiting for Godot.
