Dear Parents / Caregivers

### Materials and Services Charges - 2020

The Department for Education allows the Governing Council to set a single Materials and Services Charge (the Prescribed Sum) and pursue payment of this charge provided the majority of the School Community polled is in favour.

The Marryatville High School Governing Council conducted a poll of the School Community, excluding International students during Term 4 regarding setting and collecting the 'prescribed sum' of \$885.00 plus any applicable subject charges for the 2020 Materials and Services Charge.

Information regarding the poll was sent by post to 1054 families. A majority of parents supported the Governing Council's recommendation to increase the legally recoverable amount to \$885.00 plus applicable Subject Charges.

In accordance with procedures, the Principal has ensured the poll was conducted within the requirements. On 28<sup>th</sup> November 2019 the Principal approved the prescribed sum of \$885.00 plus any applicable Subject Charges for a specific student to be the legally recoverable amount for 2020.

The Marryatville High School Governing Council and Principal thank the school community for their support.
