Marryatville High School

Uniform Policy

Aim/Purpose

The purpose of this policy is to clearly outline the required Uniform at Marryatville High School and to define explicitly the responsibility of the members of the school community to ensure that this policy is adhered to.

Rationale

To show the acceptable Uniform at Marryatville High School.

Definition

In conjunction with Marryatville High School Governing Council, student Representatives and Senior Leadership staff, the school has a Uniform Policy in place that parents, teachers, and students are collectively responsible.

Responsibilities

Staff

- Staff should discuss the uniform policy with their Homegroups (uniform menu and policy)
- Staff should remind students of acceptable Uniform when a student is out of uniform and complete a behavioural record in Daymap
- Year Level Leaders should follow up on any student who is out of Uniform more than three times

Students

- Students should make themselves aware of uniform policy
- Students should follow uniform policy
- Students should follow teacher instructions regarding Uniform requirements

Year Level Leaders, Counsellors, and School Leaders

- Leaders should follow up on any uniform issues arising in their year level

Parents and Caregivers

- Parents should purchase correct Uniform from the uniform shop
- Parents should monitor their children's uniform daily

Uniform Policy

All students are required to wear the uniform listed below and should be worn all year round. The only accepted uniform is Marryatville High School prescribed and is to be purchased through the UMS Retail Store, Glynburn Plaza Shop 12, 161-167 Glynburn Road, Firie.

Uniform Exemptions

The Marryatville High School Uniform policy has provisions for families to apply for a student exemption to allow students with specific needs to access alternative uniform items in exceptional circumstances.

Exemptions Categories

Families who believe that their student has a legitimate reason for an exemption under the following categories can apply to the relevant school leader who will seek an official exemption from the school Principal.

Exemptions can be granted for:

- monitoring or managing a medical condition e.g. alternative footwear for diabetic students
- a student disability e.g. severe sensory issues
- Cultural and/or religious beliefs e.g. leggings under school dress. **Students can complete an exemption form for cultural/religious headwear if they wish. It is not a requirement to obtain an exemption.**
-

Students who have been issued an exemption can only wear the item(s) that the exemption was granted for the period approved.

Exemptions, if approved, will be recorded on the Marryatville High School Learning Management System (DayMap) and a "Marryatville Exemption Card" will be issued to the student. This must be carried with them at all times and presented to staff on request.

GENERAL UNIFORM
